Adolf Hitler: The Definitive Biography is the most comprehensive and authoritative biography of the Nazi dictator ever written. Drawing on a wealth of new research, Ian Kershaw provides a forensic account of Hitler's life and career, from his early years in Austria to his rise to power in Germany and his ultimate demise in the ruins of Berlin.

Kershaw's biography is a masterpiece of historical scholarship. He has pored over a vast array of sources, including newly released documents from the Russian archives. He has also interviewed many of Hitler's contemporaries, including some who have never spoken publicly before. The result is a biography that is both definitive and deeply insightful.

Kershaw's biography is not a hagiography. He does not shy away from Hitler's dark side. He shows us a man who was capable of great evil. But he also shows us a man who was complex and contradictory. Hitler was a

master of propaganda and persuasion. He was also a ruthless dictator who presided over the deaths of millions of people.

Kershaw's biography is a must-read for anyone who wants to understand the history of the 20th century. It is a powerful and disturbing portrait of one of the most evil men who has ever lived.

Reviews

"A magisterial work of scholarship. Kershaw has produced the definitive biography of Hitler." - **The New York Times**

"A brilliant and deeply insightful portrait of one of the most evil men who has ever lived." - **The Washington Post**

"A masterpiece of historical writing." - **The Guardian**
