## What's Inside?

An Angler's Quick Reference is divided into three main sections:

1. **Knots:** This section covers all the essential fishing knots, from simple knots like the clinch knot to more advanced knots like the surgeon's knot. Each knot is illustrated with step-by-step instructions, so you can learn to tie it quickly and easily.
2. **Techniques:** This section covers a wide range of fishing techniques, from baitcasting to fly fishing. Each technique is described in detail, with tips on how to use it effectively. You'll also find information on the best lures and bait to use for each technique.
3. **Species:** This section covers hundreds of fish species, from common species like bass and trout to more exotic species like marlin and tuna. Each species is described in detail, with information on its size, range, and habits. You'll also find tips on how to catch each species.

In addition to these three main sections, An Angler's Quick Reference also includes a number of helpful appendices, including a glossary of fishing terms, a conversion chart, and a list of fishing regulations.
