

Cuba Then Cuba Now: A Journey Through History and Time

Cuba is a land of contrasts. It is a country with a rich history and culture, but it is also a country that is struggling to find its place in the modern world. This book is a journey through Cuba's past and present, as seen through the eyes of a photographer who has spent many years documenting the island's unique beauty.

The book is divided into two parts. The first part, "Cuba Then", features black-and-white photographs of Cuba taken in the 1950s and 1960s. These photographs capture the island's vibrant street life, its beautiful architecture, and its people.
