A Tapestry of Ancient Wisdom

Rooted in the wisdom of the early Church fathers, Eastern mysticism offers a unique and profound understanding of the nature of God, the human soul, and our relationship with the divine. Delve into the writings of St. Symeon the New Theologian, St. Gregory Palamas, and other luminaries of Eastern Christianity as they reveal the transformative power of the Holy Spirit within the human heart.

Theosis: Union with God

At the core of Eastern mystical theology lies the concept of theosis, a state of divine union where human beings are transformed into the likeness of God. Explore the mystical practices that facilitate this union, including prayer, fasting, and the experience of the divine light.

Theosis in Practice

"The Mystical Theology of the Eastern Church" provides practical guidance on how to integrate Eastern mystical teachings into your own spiritual journey. Learn how to cultivate inward stillness, cultivate a relationship with your guardian angel, and participate in the sacraments of the Church as gateways to the fullness of theosis.

Discover the Hidden Treasures of Orthodoxy

This comprehensive guide offers a thorough exploration of the mystical traditions of the Eastern Orthodox Church. Discover the significance of icons, the power of intercessory prayer, and the role of monasticism in preserving the mystical teachings of the Church.

A Bridge Between East and West

While deeply rooted in the Eastern Christian tradition, "The Mystical Theology of the Eastern Church" also serves as a bridge between East and West. By presenting these ancient teachings in a contemporary and accessible style, the book seeks to enrich the spiritual lives of all Christians, regardless of their denominational affiliation.

Benefits of Reading This Book:

- * Gain a deep understanding of the mystical teachings of the Eastern Orthodox Church.
- * Discover the transformative power of the Holy Spirit in your own life.
- * Learn how to incorporate Eastern mystical practices into your spiritual journey.
