Written by renowned dragon artist and instructor Stefan Pokorny, DragonArt Evolution is the most comprehensive guide to drawing dragons ever created. With over 1,000 illustrations and step-by-step tutorials, this book will teach you everything you need to know to draw dragons like a pro.

Whether you're a beginner or an experienced artist, DragonArt Evolution has something to offer you. The book is divided into three sections, each of which covers a different aspect of dragon drawing.

Section 1: Anatomy and Armor

In this section, you'll learn about the basic anatomy of dragons, including their bones, muscles, and skin. You'll also learn how to draw different types of dragon armor, from simple scales to elaborate plate mail.

Section 2: Poses and Expressions

In this section, you'll learn how to draw dragons in a variety of poses, from soaring through the sky to coiled up in slumber. You'll also learn how to capture different dragon expressions, from fierce and menacing to playful and curious.

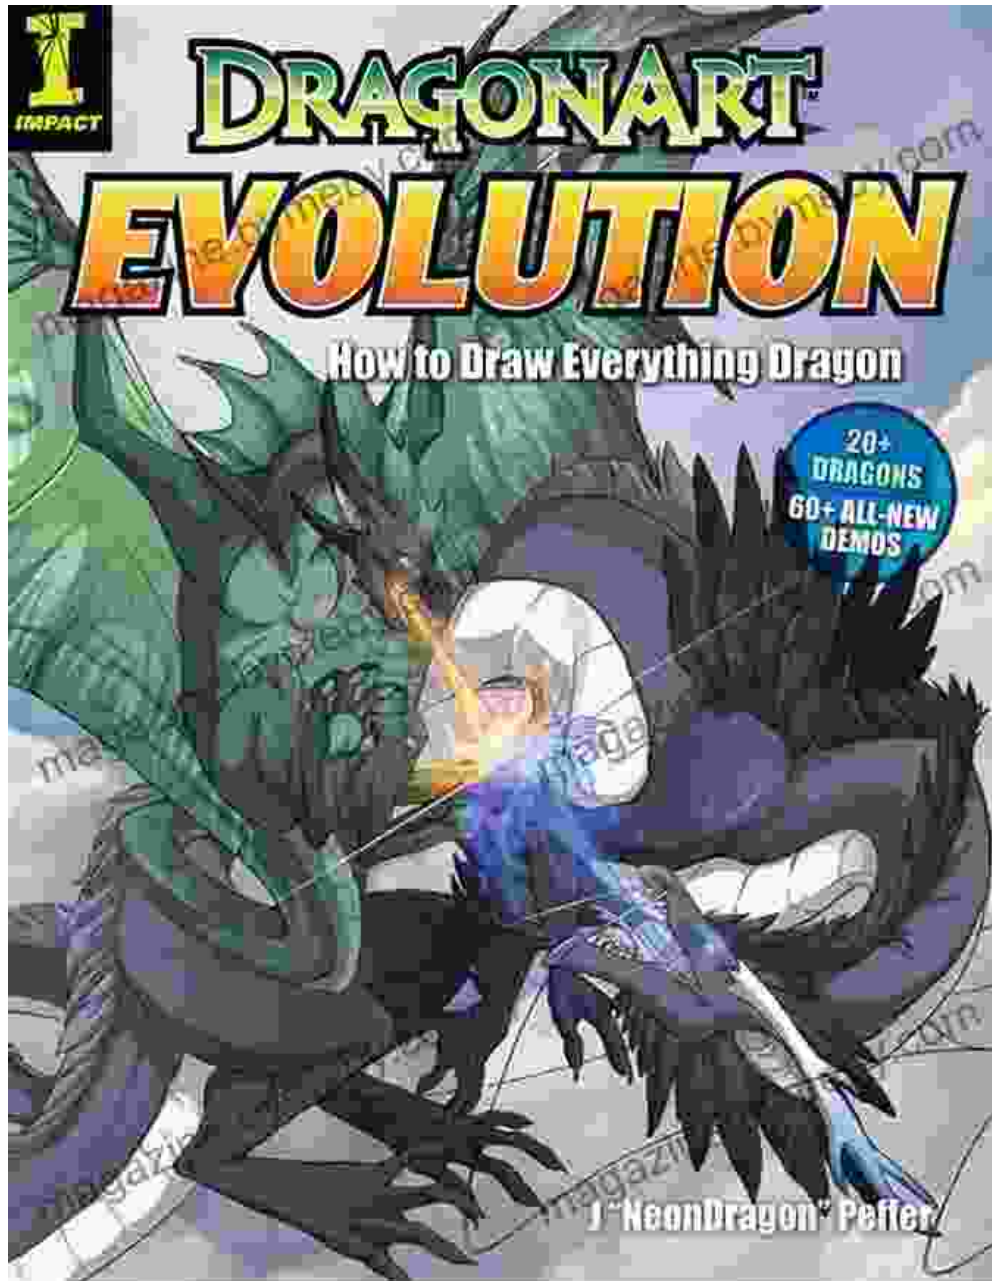

Section 3: Advanced Techniques

In this section, you'll learn advanced dragon drawing techniques, such as how to create realistic scales, wings, and fire. You'll also learn how to draw dragons in different environments, from mountainous landscapes to underwater depths.

With its clear instructions, detailed illustrations, and inspiring artwork, DragonArt Evolution is the perfect book for anyone who wants to learn how to draw dragons. Whether you're a beginner or an experienced artist, this book will help you take your dragon drawing skills to the next level.
