The book is divided into three parts:

1. The first part of the book discusses the importance of safety and confidence in a child's development.
2. The second part of the book provides parents with specific strategies for helping their children feel safe and confident.
3. The third part of the book offers advice on how to talk to children about change and how to help them cope with the challenges that come with

it.

This book is an essential resource for parents who want to help their children feel safe and confident in a changing world.

What Parents Are Saying

““This book is a lifesaver! I have been struggling to help my child feel safe and confident in this crazy world, and this book has given me the tools I need to succeed.”

- [Parent's Name]”

““I highly recommend this book to any parent who wants to help their child thrive in the face of change.”
