

King Richard Nixon and Watergate: An American Tragedy

Watergate is one of the most infamous political scandals in American history. The scandal began in 1972, when operatives working for President Richard Nixon's re-election campaign broke into the Democratic National Committee headquarters at the Watergate office complex in Washington, D.C. The break-in was part of a larger effort by Nixon's campaign to sabotage the Democratic Party.

King Richard: Nixon and Watergate--An American Tragedy by Michael Dobbs

The Watergate scandal quickly escalated as reporters began to investigate the break-in. Nixon initially denied any involvement in the scandal, but as more evidence emerged, he was forced to admit his role in the cover-up. In 1974, the House of Representatives voted to impeach Nixon on charges of obstruction of justice, perjury, and abuse of power. Nixon resigned from office before the Senate could hold a trial.

King Richard Nixon and Watergate: An American Tragedy is a gripping account of the Watergate scandal that brought down President Richard Nixon. The book is based on extensive research and interviews with key figures involved in the scandal, and it provides a comprehensive and objective analysis of the events that transpired.

The book is written by John A. Farrell, a Pulitzer Prize-winning journalist who has covered the Watergate scandal for more than 40 years. Farrell has conducted extensive interviews with Nixon, his aides, and other key figures involved in the scandal. He has also drawn on a wide range of sources, including government documents, court records, and newspaper articles.

King Richard Nixon and Watergate: An American Tragedy is a must-read for anyone interested in American history, political scandals, or the presidency of Richard Nixon. The book is a fascinating and informative account of one of the most important events in American history.
