The Rise of a Superstar

Manny Machado was born on July 6, 1992, in Hialeah, Florida. He grew up playing baseball in the Miami area and quickly developed into one of the top prospects in the country. In 2010, he was drafted by the Baltimore Orioles with the third overall pick.

Machado made his MLB debut in 2012 and quickly became one of the most exciting young players in the league. He was named to the American League All-Star team in 2013 and 2015, and won the Gold Glove Award for third base in 2013.

In 2018, Machado was traded to the Los Angeles Dodgers. He helped the Dodgers win the World Series that year, and was named the MVP of the National League Championship Series.

Machado is one of the most complete players in baseball. He's a switch-hitter with power and speed, and he's also a great fielder. He's still only 29 years old, so he has many more years of great baseball ahead of him.
