Paul Volcker: The Making of a Financial Legend is a gripping biography of one of the most influential figures in American economic history.

Drawing on extensive interviews with Volcker and his contemporaries, award-winning journalist William Silber recounts Volcker's remarkable journey from a small-town boy to the helm of the Federal Reserve during some of the most tumultuous economic times in U.S. history.

Volcker's tenure at the Fed was marked by his unwavering commitment to fighting inflation, even at the cost of economic growth. His tough stance earned him the nickname "Volcker the Grim," but it also helped to restore stability to the American economy.

Silber's biography provides a fascinating look at Volcker's life and career. He paints a vivid portrait of a complex and driven man who played a pivotal role in shaping the economic landscape of the United States.

Paul Volcker: The Making of a Financial Legend is a must-read for anyone interested in economic history or the life of one of the most important figures in American finance.

Praise for Paul Volcker: The Making of a Financial Legend

"A fascinating and well-written biography of one of the most important figures in American economic history." — The New York Times
