On a warm summer day, Peppa and her family decide to go swimming at the local pool. Peppa can't wait to jump into the cool water and splash around with her friends. She puts on her swimsuit and goggles and races to the poolside.

Peppa has a blast splashing in the pool with her friends. They play Marco Polo and dive for rings. They even have a pretend tea party on the pool deck. The sun is shining brightly, and everyone is having a great time.

After a fun-filled day at the pool, Peppa and her family decide to explore the ocean. They go to the beach and build sandcastles. Peppa and her brother George collect seashells and play in the waves. They even see a pod of dolphins swimming in the distance.

Peppa's adventures in the water are a reminder that summer is a time for fun and exploration. Whether you're splashing in the pool or swimming in the ocean, there's always something new and exciting to discover.
