The story follows a group of friends who set out on a weekend fishing trip, only to be caught in a sudden and unexpected hurricane. As the storm rages, their boat is destroyed and they are forced to abandon ship. With no land in sight, they are left to drift for days in their rowboat, fighting for their lives.

As the days turn into weeks, the friends begin to lose hope. They are running out of food and water, and the relentless storm shows no signs of abating. Just when they are about to give up, they spot a distant sailboat. With renewed determination, they row towards it, hoping that it will be their salvation.

But as they get closer, they realize that the sailboat is abandoned. There is no one on board, and the supplies are meager. The friends are once again left to fend for themselves, and their hopes of survival dwindle.
