Nestled amidst the vibrant cityscape of Edmonton, St. Joseph College stands as a cornerstone of higher education in Western Canada. As an affiliate college of the esteemed University of Alberta, St. Joseph College has fostered a legacy of academic excellence, intellectual curiosity, and transformative student experiences for over half a century.

A Rich History Steeped in Tradition

Established in 1962, St. Joseph College was founded by the Sisters of St. Joseph of the Diocese of London. Guided by the principles of faith, compassion, and service, the college initially offered programs in the arts, sciences, and education. Over the decades, St. Joseph College has expanded its academic offerings to include a wide range of undergraduate and graduate programs, tailored to meet the evolving needs of students in the 21st century.

Academic Excellence and Innovation

St. Joseph College is renowned for its rigorous academic standards and innovative teaching methods. Its dedicated faculty are committed to providing students with a personalized and supportive learning experience, fostering critical thinking, problem-solving, and communication skills. Students benefit from small class sizes, enabling close interaction with their professors and classmates, leading to a deep understanding of the subject matter.

The college offers a comprehensive range of programs, including:

- **Undergraduate programs:** Arts, Science, Education, Business, Nursing

- **Graduate programs:** Master of Education, Master of Arts in Leadership, Master of Arts in Theology
- **Diplomas:** Education Assistant, Health Care Aide, Business Administration

Cutting-Edge Research and Partnerships

St. Joseph College is actively engaged in groundbreaking research across various disciplines. Its faculty actively collaborate with scholars at the University of Alberta and other leading institutions worldwide, contributing to the advancement of knowledge and tackling real-world challenges.

The college has established several research institutes and centers, fostering innovation and interdisciplinary collaboration. These include:

- **Institute for Catholic Education:** Exploring contemporary issues in Catholic education and the formation of educators.
- **Centre for Research and Innovation in Health:** Focusing on patient-centered care, health equity, and interprofessional collaboration.
- **St. Joseph College Research Park:** A state-of-the-art facility supporting applied research and industry partnerships.

Vibrant Student Life and Community Engagement

At St. Joseph College, students not only excel academically but also enjoy a vibrant and inclusive campus life. The college offers a wide array of student clubs, organizations, and athletic teams, fostering a sense of community and belonging. Students actively participate in campus governance, ensuring their voices are heard and their experiences are enriched.

St. Joseph College is deeply committed to community engagement, encouraging students to apply their knowledge and skills to make a positive impact on society. Through service-learning opportunities, internships, and volunteer programs, students gain valuable hands-on experience while contributing to the well-being of the surrounding community.

A Legacy of Success and Transformation

St. Joseph College graduates have gone on to become leaders in their respective fields, making significant contributions to academia, industry, healthcare, education, and social services. The college takes pride in its alumni network, providing ongoing opportunities for professional development, networking, and lifelong learning.

As St. Joseph College looks towards the future, it remains committed to its mission of providing transformative educational experiences that empower students to become ethical, compassionate, and engaged citizens. By embracing innovation, fostering collaboration, and nurturing a lifelong love

of learning, St. Joseph College continues to be a beacon of excellence in higher education.

For students seeking an exceptional academic journey, a vibrant student life, and the opportunity to make a meaningful difference in the community, St. Joseph College is an ideal choice.
