From the Author

I wrote this book because I wanted to share my story with the world. I wanted to let people know that it is possible to live a full and meaningful life as an autistic adult. I also wanted to provide practical advice and strategies for coping with the challenges of autism, and for living a life in full color.

I hope that this book will inspire and empower other autistic adults. I hope that it will help them to see that they are not alone, and that they can live happy and successful lives.
