From the thunderous trumpets of elephants to the squeaky toots of mice, you'll learn about the different types of farts, how they're made, and the amazing animals that produce them.

Along the way, you'll meet:

- **The Farting Hippo:** With its massive girth and thunderous farts, the hippo is the undisputed king of the farting kingdom.

- **The Gassy Giraffe:** Its long neck gives it the perfect vantage point to aim its farts at unsuspecting victims below.
- **The Tooting Tiger:** With its sharp claws and powerful roar, the tiger is a fearsome predator, but its farts are anything but terrifying!
- **The Squeaky Mouse:** Don't let its small size fool you, the mouse can let out some of the most high-pitched farts in the animal kingdom.
- **The Farting Fish:** Believe it or not, even fish can fart! Some species of fish use farting as a way to communicate with each other.

With its vibrant illustrations and fun-filled text, *The Amazing Zoo of Farting Animals* is the perfect book for anyone who loves to laugh and learn.
