

Two Economists Drink Their Way Through The Unfree World

Two economists, Tyler Cowen and Alex Tabarrok, travel the world, drinking beer and talking economics. They visit countries like China, Russia, and North Korea, and they talk to people about their lives and their experiences. The book is a fascinating look at the different ways that people live in different parts of the world, and it's also a lot of fun.

China

Cowen and Tabarrok start their journey in China. They visit Beijing, Shanghai, and Hong Kong, and they talk to people about the country's rapid economic growth. They also discuss the challenges that China faces, such as pollution, income inequality, and political repression.

Russia

From China, Cowen and Tabarrok travel to Russia. They visit Moscow, St. Petersburg, and Siberia, and they talk to people about the country's transition from communism to capitalism. They also discuss the challenges that Russia faces, such as corruption, oligarchy, and a weak rule of law.

Moscow, Russia

North Korea

Cowen and Tabarrok's final stop is North Korea. They are the first Western economists to visit the country in over a decade. They talk to people about the country's closed economy, its totalitarian government, and its nuclear weapons program. They also discuss the challenges that North Korea faces, such as famine, poverty, and human rights abuses.

Two Economists Drink Their Way Through The Unfree World is a fascinating and informative book. Cowen and Tabarrok provide a unique perspective on the different ways that people live in different parts of the world. The book is also a lot of fun, as the authors share their experiences of drinking beer and talking economics with people from all walks of life.
