Synopsis

Alex Hawke is a former SAS operative who now works as a private security consultant. He is hired by a wealthy businessman to rescue his kidnapped daughter from a ruthless warlord in the African Congo. Hawke assembles a team of experts and sets off on a dangerous mission into the heart of the war-torn country.

The warlord, General Mbembe, is a brutal dictator who has been terrorizing his people for years. He is holding the businessman's daughter hostage in a heavily fortified compound. Hawke and his team must find a way to infiltrate the compound and rescue the girl without getting caught.

The mission is fraught with danger. Hawke and his team must fight their way through enemy territory, avoid detection by Mbembe's forces, and overcome a series of deadly traps. But Hawke is determined to succeed, no matter what the cost.

Review

"Warlord is a thrilling action-adventure novel that will keep you on the edge of your seat from start to finish. Alexander Hawke has created a compelling

character in Alex Hawke, and the supporting cast is equally well-developed. The story is fast-paced and exciting, and the action sequences are expertly written. I highly recommend Warlord to fans of action, adventure, and thrillers."
